## Southampton to Copenhagen

### A Maiden Journey into Epic Fjords & the Arctic Circle

For those who seek the rare and uncompromising, our champagne-studded Maiden Journey will put you in a rare state of bliss. Southampton sets us sailing to the cosy canal-lined hamlet of Bruges before you chart a course beyond the ephemeral boundary of the Arctic Circle. The spirit yearns when the sea beckons you to Hellsøylt and Geiranger where inlets, cliffs and waterfalls tumble in shards of silver to dissolve into a rainbow mist. You see craggy cliffs jutting like dragons out of tranquil fjords and legendary landscapes allegedly created by mischievous trolls.

Find some of the world's best scenery in the pocket-sized paradise of Lofoten then follow the wake of Vikings into the Sognefjord to Flåm, Bergen then Stavanger which spoils with Lysefjord and epic hiking trails. The uniqueness of light draws you to Skagen then onward to the cool Scandinavian mist of Copenhagen to stroll amongst the castles of North Zealand, a fittingly royal ending to a historic Maiden Journey.

## Copenhagen to Reykjavik

### European White Nights and Iceland

Ignite your wanderlust with a heart full of “forelsket”, the Danish word for falling in love. As the Norse Viking warriors once did, we depart Copenhagen to conquer an amalgam of mysteries. In the Shetland Islands and Orkneys, we find the past is etched into lands that fan out from Lerwick and Kirkwall including stately high streets and indecipherable standing stones that hint of human history dating back 5,000 years.

Panoramic vistas of alpine fields are crisscrossed with walking trails, woolly sheep and splashes of wildflowers. Memories of aged whiskey linger on your lips as you navigate towards the icy narrows of Iceland. Like the captivating swell of an ocean wave, the tempo of this journey builds as we reach Reykjavik. An overnight affords time to explore soul-enriching sites inside the Golden Circle, the underworld wonders of a deep magma chamber, or zipping beside looming icebergs in a fast boat. The last wild place on earth lingers forever in memory.

## Reykjavik to Copenhagen

### The Wild Heart of Iceland

Multilayered, mesmeric, and utterly indefinable, Iceland fulfills dreams of eco-curious experiences. Emotions are amplified standing before the uncontrollable energy of waterfalls, unearthly blue lagoons, and staggering sites that ring the Golden Circle around Reykjavik. Sailing northward around a filigreed coastline of peninsulas—each with its own geological marvels, stories, and wildlife.

Thunderstruck, you gaze upon a mountainous valley that shelters Puffins, Arctic Foxes, and idyllic Ísafjörður village. Alight on trails leading upwards to spy bird-watching cliffs, waterfalls plucked from a fantasy, and glaciers that are expanding. Skimming the rim of the Arctic Circle, you sail onward through the halls of Heaven and into the deepest Icelandic fjord to find Akureyri; a buzzing whale-watching outpost also renowned for Goðafoss and Icelandic horses, which are the purest breed in the world. Leaving behind huffing volcanos and exploding geysers, you venture southward to Skagen then disembark in Copenhagen to linger in its achingly cool design and historic palaces.

# Extended 14-night Journey Copenhagen to Copenhagen

1 – 15 AUGUST 2023, 14 nights

## Extended Journey of Scottish Isles, Danish Cities, and Icelandic Fjords

Rarified worlds collide to create an extended journey of unbound proportions. Epic overnights in Iceland thaw into immersive experiences in Scotland and Denmark, whilst days at sea find you dancing on deck under a midnight sun.

Awe-inspiring and gorgeous, the Scottish archipelago of Shetland's 100 islands are scattered like green pieces of a puzzle across a cobalt sea whilst the enigmatic Orkneys shelter prehistoric settlements, aged whiskey and Kirkwall's fashionable high street. Your adrenalin quickens as otherworldly Iceland comes into focus as whales and ice flows make your heart leap. Heaving geysers and volcanos feed milky blue thermal lagoons set against black lava rock landscapes. Skim just below the Arctic Circle, take flight over glaciers, spelunker into magma caves, and pinch yourself to believe you are in a world so phenomenal. Nestled on the coast of the northernmost tip of mainland Europe, Skagen, known for the unique luminosity of its landscape, fulfils your dreams of uncommonly sandy beaches then comes the mythological Copenhagen, a haven of castles.

## Copenhagen to Hamburg

### Danish Designs & Hanseatic Style

Our days of exploration start in Copenhagen and Goteborg, both of which share titles as two of the world's greenest cities.

A day at sea leads us to Norway's crown city of Oslo to find history proudly on display at the Viking Ship Museum and City Hall, where the Nobel Peace Prizes are awarded yearly. We board fast-boats to experience lovely Lysefjord, glide awe-struck alongside the Hegjane Waterfall, then discover a mountain stairway, created by Nepalese sherpas, to Preikestolen for soul-enriching cliff-views.

We fuel the spirit with the neo-Nordic food scene that has put Stavanger on the culinary map then ply the Elbe River to call upon Hamburg, Germany's "capital of cool", where affluent shopping promenades mix with a UNESCO World Heritage Site and together cement Hamburg as a must-do retreat amongst the most sophisticated social circles.

## Hamburg to Southampton

### Waterways of Hamburg, Rotterdam & Bruges

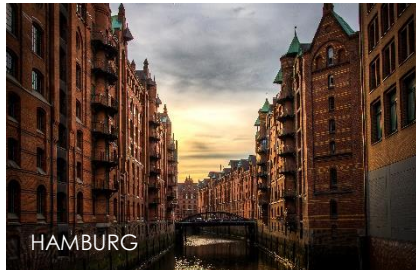

Charming canals and liquid highways lead us to desirable destinations where accolades and achievements cascade like the currents. Hamburg, with six times as many canals as Venice, owes its affluence to water. Today, the most notable network of canals wind through Speicherstadt and beside the sensational Elbphilharmonie concert hall that is applauded as the most acoustically advanced in the world.

Landmark architecture in Rotterdam is similarly set beside life-sustaining canals that now reflect marvellous urban living.

Our quest continues to Zeebrugge that is forever linked by the Baudouin Canal to Bruges. Everything here puts its best face toward the water, including the Quay of the Rosary and the Basilica of the Holy Blood that is reported to have a venerated relic of Christ's blood. Water sustains the dream of the adventurer and there is no time it is more appreciated than aboard this journey.

# Extended 9-night Journey Copenhagen to Southampton

15 – 24 AUGUST 2023, 9 nights

## **An extended Viking Lore of Fjords & Hanseatic Cities**

Guided by a playful spirit, we let the Vikings take the helm and steer us to their greatest treasures in the Baltic, North Sea and the Low Countries. The strongest Norsemen, the Danes, take us to Copenhagen.

Arrive early and step back in time in the Prince's Palace or stroll the old city's Strøget, Europe's longest pedestrian shopping street. Swedish Vikings still roam in Göteborg, considered one of the world's happiest cities. Norwegian Vikings, the best boat builders, guide us into Oslo and Stavanger, both culinary powerhouses and gateways to fantastic fjordland adventures. Helmsmen of the Hanseatic League lead us to Hamburg, where affluent shopping promenades mix with the extraordinary Elbphilharmonie concert hall and a warren of warehouses, now a UNESCO-protected gem. In Europe's Low Countries, where Vikings famously raided, we find peaceful pleasures in Rotterdam's quaint barge-lined canals and charming virtues in medieval Bruges, a preserved Hanse city with its entire city centre a protected UNESCO trove.

## Inaugural United Kingdom Journey

### Scottish Lochs, Lore & the Military Tattoo

The teak promenade of EXPLORA I becomes your stylish catwalk as you journey to where men wear kilts and women mash the best scotch whiskey. Walk in the footsteps of saints and ancient kings. Cross paths with artists and poets who protest there “may be dragons.” Edinburgh is enigmatic with come-hither nooks and the jaw-dropping global performance of the Military Tattoo set before the light-washed Castle. Hadrian’s Wall and the Angel of the North draw us to Newcastle.

Are there mightier men than those in the Highlands of Invergordon who still look upon quiet glens filled with history of past carnage? Nip Ireland’s whiskey at the Slabh Liag Distillery or cycle past the Troubles in Derry across the Peace Bridge. Sing of Yellow Submarines in Liverpool then go in search of kingdoms of the sylvan and sublime in Glasgow and beyond.

# Extended 12-night Journey Hamburg to Glasgow

21 AUGUST – 2 SEPTEMBER 2023, 12 nights

## **An extended tapestry of Netherlands, Belgium & Scotland**

With an unending element of surprise, this extended journey weaves a tapestry of humanity with the diversity of Hamburg, Belgium and the Netherlands, and the natural drama of Scotland.

A vast network of canals leads to fashionable Hamburg where modern architecture and sophisticated ateliers have made it a must-do retreat amongst the most sophisticated social circles. Landmark architecture in Rotterdam is similarly set beside life-sustaining canals whilst Bruges offers the most photo-worthy sites. Our overnight in Edinburgh is perfectly timed so you may attend the global performance of the Military Tattoo. We walk in the footsteps of barbarians along Hadrian's Wall in Newcastle then discover dragons in Loch Ness and Invergordon, where green glens lead to the soul-stirring Highland. Circling the top of Scotland, we call on the Outer Hebrides to find stunning beaches and locally loomed Harris Tweed. Nip Ireland's whiskey at the Sliabh Liag Distillery or cycle past the Troubles in Derry across the Peace Bridge. More graceful experiences await in Glasgow, where you may explore a myriad of sites from the exceedingly historic to the sensationally modern.

## Glasgow (Greenock) to Reykjavik

### Scottish Highlands & Icelandic Geysers

A phenomenon in nature occurs when golden sunshine dances across misty, green glens to create a rare effect of celestial light. The luxury of this luminosity begins in Glasgow, where we seek the interlude of modern and ancient sites from Lock Leven to the “armadillo” performance arts centre and charming Buchanan Street, comparable to London’s West End.

We follow a crinkled shoreline to find Port William, the “outdoor capital of the UK” and gateway to the prettiest glens including Glencoe and Glenfinnan, made even more famous in the movies Skyfall and Harry Potter respectively.

The light in Skye, Orkney Islands and Shetland Islands is exceedingly remarkable and spotlights some of the most geologically diverse landmasses in the world. Chasing the midnight sun, we call on the remarkable Faroe Islands, a fairy-tale of unfathomable allure that seems to come straight out of a Jules Verne novel. Our journey’s final salutation to the sun in Iceland begins enlightening experiences on the land.

## **An extended exploration from Scotland to Iceland**

Chasing celestial light that dances across green glens and glacial bays, journey from Scotland to Iceland with wild wonders in-between.

Walk in the footsteps of ancient kings in Edinburgh, where our overnight coincides with the global performance of the Military Tattoo. Cross paths with poets who protest there “may be dragons” in the Highlands of Invergordon and Loch Ness, then find Neolithic standing stones that are older than Stonehenge on the Isle of Lewis. Glasgow provides an interlude of modernity before venturing to Scotland’s prettiest glens of Glencoe and Glenfinnan. In Skye, we find a light as evocative as its geologically diverse landmasses. The Orkney Islands exceed all expectations whilst the Shetland Islands mark the northernmost point in the UK. Turning toward the midnight sun, we visit the unfathomable Faroe Islands then make our final sun salutation in Iceland where enlightening experiences await within the Golden Circle and treks across the “white desert” of a massive ice cap.

## Inaugural Iceland & Greenland Journey

### Arctic Geysers, Calving Glaciers, and Fiery Lands of Ice

We are all travellers at heart who crave that tantalizing spark of excitement when stepping into the unfamiliar. Nowhere is that fire better kindled than in the land of ice, where life-affirming wonders includes deeply immersive adventures. Zodiac beside looming icebergs. Spelunk massive ice caves. Snorkel between tectonic plates. While most consider this landscape as other-worldly, it is pure heaven to film directors and A-list actors who forge through Game-of-Thrones scenery.

A golden circle of soul-enriching sites inside the Golden Circle, flights over Gullfoss, Geysir, then immersion beyond Isafjörður. Breath-taking Greenland brings us to the calving Eqa Glacier, the lineage of Erik the Red, and Qaqortoq, the “White Palace,” abounding with icebergs, whales and the Lyngmark Glacier. Reality brings us back to Nova Scotia, Newfoundland and New York where carefully crafted land experiences let you explore like a local.

## Inaugural North American East Coast Journey to Metropolises & Maritimes

The land of opportunity is not just a moniker, it also applies to experiences that go beyond the superficial to delve deep into the soul of North America. There is no place with more potentiality than Manhattan, the global capital of commerce and culture. The MoMa, Wall Street and Harlem, Gotham City embraces it all ... and so can you with ease during an overnight in the metropolis that never sleeps.

From bright lights to Boston, we go behind-the-scenes along Freedom Trail to see how revolutionary thinking still rings. Intriguing beyond measure, St. John's serves as gateway to the astonishing phenomena at Bay of Fundy, where a colossal tidal change actually causes a shift in the region's gravity. Gliding deep into the Gulf of St. Lawrence, we arrive in Québec City just as a thousand lights twinkle on at Le Château Frontenac and the UNESCO Old City of the French New World.

## **An extended journey from Iceland & Greenland to High-Latitude America**

An extended journey into the northernmost realms of Earth, you sail with a privileged few who will venture into the icy narrows of Iceland and Greenland. You may walk across polar ice caps, float in blue lagoons, and Zodiac beside looming icebergs. Discover soul-enriching sites inside Iceland's Golden Circle and exuberant landscapes in her rarely seen remote northern fjords. Sail the intricate and spectacular 113-kilometre passage of Prins Christiansund and be awestruck by 2100-metre peaks rising out of the waterway, monstrous waterfalls and glaciers plunging into the sea. Is it any wonder this was once home to brave Erik the Red?

High-latitude sailing leads us through the Labrador Sea and into the Strait of Belle Island to find Canada's maritime providences ablaze in fall colours. We find the soul of America in New York City and Boston, where revolutionary thinking still rings. Intriguing beyond measure, Bay of Fundy astonishes with its colossal tidal change. ## Quebec City to New York City

### Quebecois Culture, Canadian Fjords & New Amsterdam

Our exploration begins where French colonial history began in Quebec City. Founded by Samuel de Champlain, crowned with the Chateau Frontenac, Quebec City has reigned as a bastion of the French New World for more than 400 years.

The adventures of Jacques Cartier call us deep into the scenic Saguenay River. Wild, rugged and unfazed by time, we visit La Baie, celebrated as one of the “Most Beautiful Villages in Québec,” and charming Baie-Comeau, which is the heart of a UNESCO World Biosphere Reserve.

Breathtaking landscapes lead us to Prince Edward Island, famed for red-sand beaches and Anne of Green Gables. Halifax serves as our gateway to the wonderment of the Bay of Fundy, where the tidal range is up to 14 meters every day.

A 24-hour overnight in New York City affords time to experience the city's newest icons: the Vessel, an interactive sculpture woven of 154 staircases, as well as The Edge, the highest outdoor skydeck in the Western Hemisphere.

## **Extended Historic American Cities & Quebecois culture**

Delve deep into the soul of North America and discover a constellation of stary cities, immense landscapes, fertile forests and noble history.

No city shines brighter than New York, the global capital of commerce and culture and home to the MoMa, Wall Street and Harlem. We feel the pulse of the historic heart of the United States in gilded Newport and Boston. Then find the quaint charms and tidal wonder of the Bay of Fundy from St. John. We follow the wake of explorer Champlain into the Gulf of St. Lawrence to overnight in Quebec City, a bastion of France in the New World for more than 400 years. The adventures of Jacques Cartier call us deep into the scenic Saguenay River. Wild, rugged and unfazed by time, we visit La Baie, celebrated as one of the "Most Beautiful Villages in Québec," and charming Baie-Comeau, which is the heart of a UNESCO World Biosphere Reserve. Breathtaking landscapes lead us to Prince Edward Island, famed for red-sand beaches and Anne of Green Gables. Then, with thunderous applause, we return to New York City to explore Broadway and Times Square.

## New York City to Quebec City

### European Influences in the New World

North America is blessed with more than 400 years of European influence. New York City, originally founded by the Dutch and gifted the Statue of Liberty from France, now offers the world the 9/11 Memorial & Museum that honours hope, resilience, and unity for all future generations.

Fall foliage calls us to the wealthy summer playground of Newport, a seaside town bursting with superlatives. Home to the International Tennis Hall of Fame and homes of immigrant industrialists who financed the building of a young America.

In beautiful Boston wharves whisper of tea parties, libraries speak of revolutionary greats, and the Freedom Trail rings out to the brave.

In Halifax, Nova Scotia, we find Celtic, Acadian, and African roots as well as the largest number of lighthouses of any Canadian province. Traversing the “whale route” of the St. Lawrence River we call on Quebec City to see her 400-year-old fortress, an impeccable UNESCO site, and home to the first establishment of New World France.

## Quebec City to Miami

### Fall Leaves & Palm Trees along the Atlantic Coast

When summer leaves turn crimson and gold, there's no better place to be than the colourful coves of Canada and New England. The wonder begins in Quebec City where a charming UNESCO Parisian boutiques and bistro-lined cobbled streets in the quaint Old Town.

Catch your breath in Gaspé and Nova Scotia, where we yearn to explore pine forests, rocky promontories, and pristine beauty so hard to encounter in the modern world. Feel the sea air and breathe a new season in your lungs.

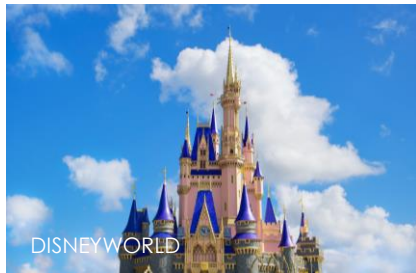

Portland promises more off-the-grid, small town charm where pints and flights are enjoyed along historic avenues.

An overnight in New York City allows time to explore a behemoth of culture and creativity from Broadway to The Met to fashionable 5th Avenue.

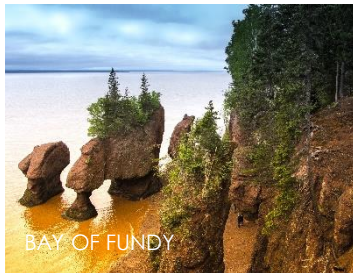

An ocean state of mind takes us to Florida's Space Coast to find out-of-bounds experiences at Kennedy Space Center and Daytona International Speedway then gentle tides lead us to Miami where blindingly white beaches are matched only by the city's blazing hot nightlife.

### A Yachtsman's Paradise

The moon over Miami shines on a sultry, sophisticated city. Posh galleries and street murals bring Art Basel to Wynwood while art deco architecture call models and moguls to Ocean Drive. Tip: dine at Joe's Stone Crab for its name-sake seasonal delicacy. Plying a southern chain of mangrove islands, we call on Key West, where legendary writers and wanderers all toast life at Sloppy Joe's.

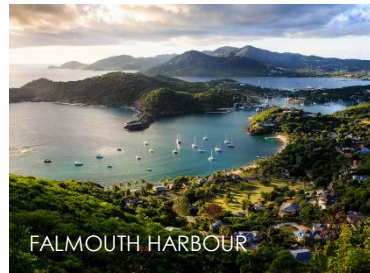

Next, a long-held yachtsman's cove, Virgin Gorda, enchants with curious beach boulders as big as houses tossed about like a giant's marbles. Snorkel among parrot fish, iridescent coral and starfish the colour of the sun in Antigua and Anguilla.

### **British Isles, Creole Idylls and Miami Magic**

We call on islands that are the bywords for high-society escapism. Our first elixir of ease,

St. Barths, is one part Swedish, two parts French and three shots of sunset-to-sunrise glamour. Yachts gleam in the harbour, boutiques sell Parisian fancies, and bonafide barefoot bars serve off-the-charts tranquillity. With our head full of dreams, we call on St. Kitts, an island of wonders where we can ascend through a virgin rain forest to summit Mount Liamuiga's and gaze down upon her dormant crater. More emerald peaks and placid shores continue on to the Dominican Republic with four of the five highest peaks in the Caribbean, lush jungles carved by rivers and waterfalls. Shades of aquamarine, amethyst turning translucent opal, the colours of the sky, sea and sandy cays all are seemingly inseparable. This is the wonder of Ocean Cay Marine Reserve, our private island paradise that is ecologically and geographically achieves the impossible dream of being gloriously secluded on a paradisiacal island.

## Extended escapes into a Yachtsman's Caribbean

Orchid-scented breezes lead us on an extended Caribbean journey to islands that are the bywords for high-society escapism. With a head full of dreams, we call on long-held yachtsman's coves, Key West and Virgin Gorda, where bona-fide barefoot bars serve up iconic tranquillity.

We find exquisite coastlines dotted with pinkish-white beaches, amethyst bays, and shell-crusted shipwrecks in Antigua and Anguilla. Then discover a side of San Juan that is artistic and creative along with its 400-year-old swashbuckling history. Like an elixir of ease, we drink-in the beauty of St. Barths, which is one part Swedish, two parts French and three shots of sunrise-to-sunset glamour. Placid shores and emerald peaks await in St. Kitts and the Dominican Republic, where five of the highest peaks in the Caribbean create an amphitheatre of riches. Waters in shades of aquamarine and opal surround us at Ocean Cay Marine Reserve, our private island paradise that ecologically and geographically achieves the impossible dream of environmental luxury. Our return to Miami heralds one-of-a-kind opportunities ashore from the Everglades to Key Biscayne to legendary South Beach.

### Caribbean Escapes in European Outposts

The magical meeting point of excitement and elegance creates the perfect backdrop for reverie on this journey. Bathed in sun from day one with nine glorious nights aboard EXPLORA I, where everything sizzles a bit more. The pageantry of beach and city play out for us in Miami, a seaside city that lives more like a small global country.

No passports are required in the last bolt hole of America as we glide into Key West. Known as the Conch Republic with a "sovereign state of mind." In the spirit of you-never-regret-an-indulgence, we call on a litany of luxurious islands.

Pristine Virgin Gorda greets us with a riot of dreamlike landscapes too vivid for words. Saint Barthélemy woos with French swagger and yacht-set good looks. Temptations continue in Antigua, Anguilla, and St. Lucia where we can actually drive into a volcano! We end our idle in Barbados which has the high-tea reputation of being more British than the British!

### UNESCO Treasures Below and Above the Caribbean Sea

This journey fully displays Mother Nature's tour de force of beauty above and below the Caribbean Sea's surface. With a lovely enticement of ease, we begin in Barbados, an island of wonders: flying fish, green monkeys, subterranean waterfalls, and towering banyan trees with shaggy aerial roots that inspired the island's Portuguese name, the "bearded ones."

The lure of geography blesses us on Sunday Island, formally baptised Dominica, where sperm whales swim her waters all year and primordial rainforests are thick with a profusion of rainbows in a swirling cloud of mist. Surround yourself in cerulean blue, tranquility and sky on Bonaire, considered the Caribbean's shore-diving capital and the birthplace of windsurfing.

Following a westerly breeze, we find Willemstad, a UNESCO jewel, with brightly coloured Dutch-gabled buildings that look like a tropical Amsterdam. With 26 hours in the Dutch West Indies port, we can take our time exploring this semi-arid island.

### Discovering the Sainted Islands of the Caribbean

Rugged and majestic, born of volcanic fire yet matured in barefoot elegance, we call on small harbours and private islands that all belong to the Caribbean but spiritually live in a state of mind. Like a scene of theatrical grandeur, St. Lucia shows off her breathtakingly-exotic beauty. So enamored were the French and British that they savagely fought each other for her procession.

On the island of St. Kitts, we feel the sigh of history settled over the ruins of Brimstone Hill — "the Gibraltar of the West Indies." Scailing though azure channels, we slip into Falmouth Harbor to find romantic ruins of plantations, colourful quays and the best dive spots.

Coconut palms sway in the sun and more than 3 kilometers of beaches shimmer with the warmest welcome to Ocean Cay Marine Reserve. Snorkel with butterfly fish. Indulge in the spa with its waterside massage cabanas. Or simply get lost in the island's mesmerism.

## Miami to Miami

### Diamond Beaches and Sparkling Private Idylls

We set sail on our quest for blue-water bliss where nature demands our full attention. Birds of many songs and colours. Trees laden with mangos and guava. Islands with gin-clear lagoons, miles of white sand beaches and towering volcanic mountains. Miami sets our expectations of enchantment before we set sail for the Turks and Caicos, boasting the third longest barrier reef in the world. Here, divers delight in swimming amongst fish named for parrots, angels and damsels.

Closer to heaven, we find the eden of Samana and the virgin forest of El Valle with its many gossamer waterfalls. Powder-white beaches, quiet coves and untamed wilderness await in Virgin Gorda Island. As her name implies, she is pristine and plump with surprises. Regal and under-the-radar, Anguilla is a five-star diamond with award-winning beaches, golf, and culinary gems.

Carefree luxury calls us to Ocean Cay Marine Reserve, our private island outpost designed to provide enriching experiences in an environmentally and sustainable manner.

## Miami to San Juan

### White-Sand Wonderlands for the Holidays

Elaborate festivities and champagne toasts herald the celebration of our Christmas Journey. More than a sailing, this is a voyage of the senses when every last detail is considered to take your holiday memories to the next level while a chorus of tropical yuletide songs sets the backdrop for colourful parties and sumptuous feasts.

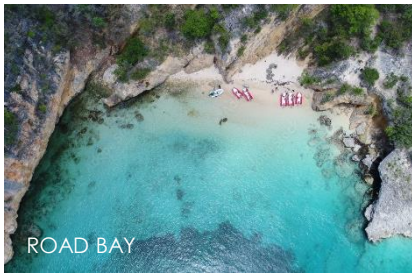

Peace and joy continue as soft breezes lead us to the British Virgin Isles. Explore The Baths and step into the Cathedral — two enormous adjoining rocks where a heavenly sliver of sunlight beams onto a luminous blue grotto pool.

Next, we trade sugar plums for candied coconut snacks in Anguilla and Antigua, both exquisitely blessed with crystalline sands, iridescent waters and snorkeling amongst fish-filled wrecks and reefs.

Our final call, San Juan, bursts with historic UNESCO gifts of Fortaleza and El Morro fortresses. Linger longer after your journey and continue to unwrap a multitude of memories.

### A Sensational New Year Celebration

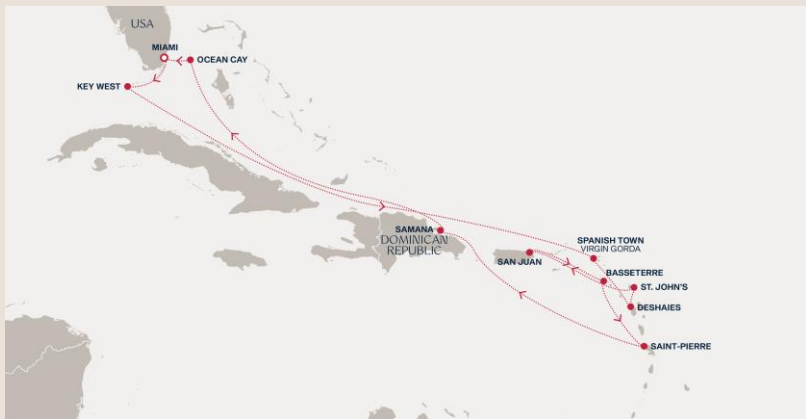

Our New Year's soiree will be a magical mixology of onboard celebrations that go beyond the calendar calculation of time and space. Anticipation builds as we call upon the eden-like enclaves of St. Kitts and Martinique, with rainbows of butterflies, giant tree ferns and vast botanical gardens.

Have you ever seen such beauty? Tonight, a gala dinner, dancing, live music, midnight countdown and champagne toasts. The first day of 2024, you wake up to see the New Year across a warm and welcoming sea.

Rested and renewed, we call on Samana then sail into a horizon that astonishingly blurs the space between the infinite sky and sea to find a gentle rise of our contemporary private island, Ocean Cay Marine Reserve. From the sensational to the sublime, we end in Miami Beach, where blindingly white beaches, a blazing hot nightlife are the perfect beginning to a New Year in "The Magic City."

## Miami to Cartagena

### The Magical Realism of Miami, Santa Marta and Cartagena

Blending subtropical glamour with captivating cosmopolitan scene, featuring the best of Miami and the most exotic Caribbean cities of Colombia. In the calm of dawn, we call on Santa Marta, rippling with life against the peaks of the Sierra Nevada mountains where the air sparkles like diamonds onto the city's vibrant street life, organic coffee farms, a UNESCO bio-sphere, and ruins of the Lost City that are older than Peru's Machu Picchu. Mysticism and realism turn your wanderlust into wandermust in Cartagena de India. Here, the city tells a story that few others can, beginning with Spanish colonisation, repeated attacks by the (original) pirates of the Caribbean, revolution, and the final resting place of world-acclaimed Nobel Peace writer Gabriel García Márquez (considered the best Spanish writer since Cervantes). An overnight aboard EXPLORA I allows time to explore Cartagena's UNESCO fortified old city, where an exuberance for life overflows in a maze of cobbled streets dripping with bougainvillea and history.

## Cartagena to Bridgetown

### UNESCO Wonders of Colombia, Panama and the Caribbean

A tale of two cities, Cartagena is a seaside siren who is both heroic and handsome with a well-preserved 15th century fortress - a UNESCO marvel - that staved off plunderers with massive iron cannons that now, ironically, point toward her shining city of modern buildings. Magnificent marvels continue in Colon, home to the impressive Gatun Locks and Gatun Dam of Panama Canal as well as the UNESCO site of Fort St. Lorenzo, that once protected the Spanish Crown.

Wonders continue in Curacao with its UNESCO site harbour that resembles a tropical Amsterdam. For the ultimate utopian experience, Bonaire and Martinique offer unmatched drama, from flocks of pink flamingos to cacti that grow to more than 9 meters tall and the looming cloud-shrouded crater of Mount Pelée.

Our final UNESCO delight is Bridgetown Garrison, that has guarded the prosperous British outpost of Barbados since 1705.

## Bridgetown to San Juan

### A Yachtsman's Caribbean of Remote Harbourages

Under-the-radar anchorages and over-the-top experiences define this Journey that begins in British playground of choice, Barbados.

Adrift on our dreams, we call on Saint Vincent and the Grenadines, with its exceptional harbourage of Kingstone, where we anchor amongst bobbing yachts. On St. Lucia, our lesser-known idle of Castries is more reminiscent of yesterday's Caribbean with picturesque plantations and hamlets that lead us to an island slopped with forested peaks.

Again, we anchor with the yachts at charming Deshaies, to dip our toes in the sand at Grand Anse or explore a rainforest on the mountaintop of Basse-Terre. In St. Barths, we enjoy VIP access to the island's most exclusive barefoot-chic beaches reserved for the ambitious and glamorous.

Captivating and festive, our final call is San Juan, a destination that is more than you can imagine and all that you desire in a yachtsman's Caribbean.

## San Juan to Bridgetown

### Islands of Global Sophistication & Natural Charm

The Caribbean is a tangled embrace of international sophistication and exotic natural charm. No place is this allegory more evident than in San Juan, the shining star of the Caribbean.

The setting sun sears into your heart and horizon as we navigate towards Virgin Gorda, a wondrous island in the BVI, where everything is extraordinary. The fertile islands of St. Kitts & Nevis include the largest fortress ever built in the Western Caribbean whilst adjacent Nevis features the birthplace of Alexander Hamilton. Like a romantic point on the map, Antigua & Barbuda boast some of the most ravishing stretches of pink-tinged coast.

Wonders never cease in Kingston with its iconic botanic garden, whose early propagators include Captain William Bligh, made famous from the Mutiny on the Bounty. Like the captivating swell of an ocean wave, the tempo of this journey builds to its grand finale in Barbados, an island of infinite wonders, that is an adored British outpost.

## Inaugural South American Journey

### Celebrating Two Carnivals in Brazil

With a quest for Carnival, the fates bring us to Brazil to experience not one but two of the most epic street parties.

To prepare, first we call on the sybaritic beaches of Barbados and Fortaleza, punctuated with a visit to the untamed Devil's Island. Tender ashore to this infamous French penal colony where a wild jungle frames Instagram-worthy photos. The party begins in the African soul of the country, Salvador, where Carnival beats to a rhythm all its own that is fuelled by Afro Bloco (drum-based troupes) with massive drumlines that will blow your mind. We arrive in Rio on the most fervent night of the celebration. Flamboyant floats, ostentatious costumes, choreographed dancers and acrobats all pulsate in the Samba Parade. The Manhattan-like skyline of São Paulo draws us in as a cosmopolitan basecamp for expeditions to Iguazu Falls, the mighty Amazon rainforest, mystical Machu Picchu, and further into the deepest reaches of the continent.

## Bridgetown to Miami

### Islands of Desire

Glorious islands as far as the eye can see; idylls as popular as Martinique or undiscovered as Ocean Cay and as romanticised as St. Kitts. No island of consequence escapes our attention. No harbour too remote for us to find. We sail from bustling Bridgetown to trace a volcanic arc of archipelagos and find Saint Pierre rising on the horizon like a vision. Coquettishly French and charmingly Creole, you'll warm to the same light that inspired Gauguin. Lush, dramatic, pristine, Basseterre beckons with rivers that thunder, hikes that climb into a volcanic caldera and mischievous vervent monkeys faintly tinted green. As close to heaven as a beating heart will allow; Samana draws us with her beauty and hopeful sightings of humpback whales. A magical experience on an almost mythical island; Ocean Cay is exclusive, environmental sensitive, and luxuriously sustainable. Our private MSC Marine Reserve wraps you in the unprecedented reality of a true island paradise.

## Miami to Bridgetown

### A Celestial Caribbean and Creole Soul

The Caribbean shines with stars; sparkling islands so provocative, so utterly charismatic, they become wellsprings for exploration. We find fathoms of freedom in blue-turning-turquoise waters sailing from Miami to Key West; energetic, effervescent, Cuban-spiced destinations that sway with a palpable buzz. A fragrant cachet of florals and French baguettes. Waves of ivory-coloured sands. Virgin Gorda and Gustavia offer perfect days of power-lounging where the chic and sleek tan. Delve into Deshaies to explore rainforests, French ruins and filming sites of Death in Paradise. Bubbles of champagne and volcanic mud baths burst in the sun of Soufriere. Take a strenuous-but-worth-it hike up Gros Piton or watch clouds float across Petite Piton from Hummingbird Beach. 18-square kilometres of perfection, Bequia is that vintage postcard with sugary white beaches, swaying palms, and lobster shacks selling 'free beer tomorrow'. Does it get any better than this?

## Bridgetown to Panama City (Amador)

### Panama Canal Passage

Mapped by Columbus. Fought over by the Spanish, French, Dutch, Danish and English. The Southern Caribbean is a parade of islands and idyllic harbours that beg to be discovered. The Lesser Antilles — Aruba, Bonaire and Curaçao — are islands of desire that beguile with vivid flamingos, pink-sand beaches, wind-bent divi divi trees, and Dutch windmills. The curvaceous shore of Colombia leads to an overnight in Cartagena; a tropical city with a seductive blend of 500-year-old history, exuberant nightlife, and surreal beauty. Magical reality continues in Puerto Limon; skywalk in a virginal forest and ford rivers in search of anteaters, sloths and blue butterflies. Marvels continue as we glide under the Bridge of Americas to negotiate the locks of the Panama Canal. With front-row views aboard EXPLORA I, you experience one of the most amazing man-made wonders where the triumph of engineering and the human spirit connected two shining seas.

## Panama City (Amador) to Los Angeles

### Central America to Centre Stage in Los Angeles

Everything on this Journey moves at the speed of desire: remote coasts and romantic resorts, chic cities and cloud forests. We start where dreamers and builders dug a short-cut from sea to shining sea in Panama City then dive into one of the most biologically intense places on the planet, Costa Rica. Here 4% of the world's biodiversity finds sloths and monkeys in Manuel Antonio National Park and an otherworldly Monteverde to discover birds, trees, orchids, and plants that cannot be found anywhere else on earth!

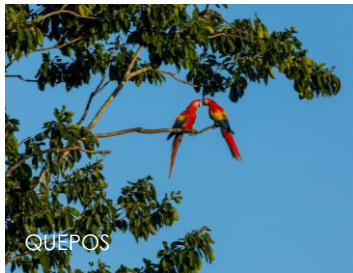

We join sunbathers and surfers in San Juan del Sur, then search for Mayan roots in Puerto Quetzal. With a sky and sea that are mostly flawlessly blue, the Mexican Riviera calls us to Puerto Vallarta and Cabo San Lucas. But perhaps nothing can prepare you for arriving in San Diego and Los Angeles, both cinematic cities where culture meets the coast.

## Los Angeles to Vancouver

### Sybaritic Cities & Pacific Northwest Coves

From sybaritic cities and idyllic shores, we journey where Hollywood film crews regularly shoot movies. While Los Angeles may have risen on the back of the film industry, today it is a mecca for big dreamers that are the metronomes who set time to the rhythm of life. The “red carpet” treatment continues in San Francisco, a shimmering city by the bay, where you can hike a coastal path with tech billionaires or stroll the Golden Gate Park to arrive at Haight-Ashbury, the birthplace of counterculture in the 1960s. An overnight allows time to venture to Napa Valley and Sonoma, the laid-back “Bordeaux of America”.

Astoria welcomes with cosy vibes where lush forests set the perfect backdrop for small-town America. When it comes to charm, British Columbia's Victoria is reigning queen whilst Vancouver boasts an amazing juxtaposition between urban oasis and serene wilderness that stretches from seascape to mountains.

## Inaugural Hawaiian Journey

### Hawai'i Volcanos & the Magic of Kai

Of all the ways to explore Hawai'i, this Journey is undoubtedly the most satisfying. An ocean escape where time loses its pull and allows you to set your internal clock to the pacific rhythm of the waves. When the sun is high, we see our first glimpse of Hawai'i, which is the proper name of the Big Island. You can almost see Pele, the volcano goddess and creator of the islands, sitting in her heaven in Hilo.

An island of five volcanoes, deep canyons, plummeting. Take a cardio-hike through Volcano National Park. Walk to Akaka Falls. Or hop a helicopter to fly over the active Kilauea and Mauna Loa. Good tidings continue for us on Oahu, where Honolulu welcomes us with its wide Waikiki Beach, legendary Diamond Head, and impeccable shops along Kalakaua Avenue.

## Inaugural Hawaiian Journey

### “No Ka ‘Oī” of Hawaii

From the creative firmament of Oahu to the raw landscapes of Maui and Kauai, this journey is a mixology of mysteries and Mai Tai cocktails served with chilled days at sea. Explore Oahu's epic North Shore at Waimea Bay Beach Park where the biggest, most historic surfs break offshore and crash in spectacular fashion. The island of Maui leaps from the sea in an epic display of incomparable harmonies. This “valley isle” features 17 sub-climate zones ranging from tropical forest to desert. Venture atop Haleakalā, the world's largest dormant volcano or forest-bathe in the Eden-like utopia of Hana. Tee off at the world-class Wailea Golf Club or take a fast boat to the Molokini caldera to snorkel inside its sunken crater.

As glamorous as a movie set, Kauai is perhaps the most picturesque island. From the dramatic 4,000-foot-high (1,200 meters) Na Pali Coast State Park to 3,600-foot-deep (1,090 meters) Waimea Canyon, a geological masterpiece that is alien on such a lush place. Kauai is a natural beauty that will leave you speechless. Hawaii, “No Ka ‘Oī,” truly is the best.

18 APRIL – 6 MAY 2024 , 18 nights

## **An extended exploration of the Hawaiian Islands**

Sensuous and intense, rugged and majestic, this combined journey seeks the rarest pearls in North America's Pacific Ocean. From the serenity of Vancouver in Canada's British Columbia to the Hawaiian Islands, we slip amongst wonders and waters that redefine our words for desire.

When the sun is high, we catch the first glimpse of Hawai'i, which is the proper name for the Big Island. Birthplace of Kamehameha the Great, this island reigns supreme for its five volcanos, deep canyons, plummeting waterfalls and Kona coffee. Oahu welcomes us to Honolulu and the white shores of Waikiki Beach. An overnight allows time to explore Diamond Head, Pearl Harbor and a traditional Hawaiian Luau. The island of Maui leaps from the sea in an epic display of beauty from Haleakalā, to the utopia of Hana, to the sunken Molokini caldera. As glamorous as a movie set, Kauai is perhaps the most picturesque island with the undulating Na Pali Coast and Waimea Canyon.

### Inaugural Alaskan Journey

Sail where mountains have no names, roads are few, and vast wildernesses are gateways beyond the imaginable. Remote Wrangell is a rarely seen gem that is nestled deep within a maze of 1,100 islands. History and mysteries loom large here: centuries-old petroglyphs; tales of the gun-slinger Wyatt Earp; and jet boats that fly up the Stikine River to LeConte and Shakes Glaciers. Wonderful, stunning. We step lightly in Sitka and discover where even more wild things are: the Fortress of Bears, Alaska Raptor Centre, and waters teeming with halibut fish that are amongst the biggest in the world.

We follow the flow of massive glacier action to magnificent Misty Fjord, a seldom-seen American national treasure with awe-inspiring topography. Sheer walls of granite plunge over 3,000 feet and lush forests of hemlock cling to snow-capped peaks of rugged grandeur.

### Sailing the Whale's Highway

Embrace the magic of sailing into the unfamiliar; experience a shift in perspective when encountering what is wild and completely new. With a singular focus to ply northerly climes, we witness the deepest contours of the "whale highway" — from Ketchikan to Juneau — to marvel at three of Alaska's hallmarks: Misty Fjord and the glaciers of Hubbard and Mendenhall. All the senses are arrested in Icy Strait Point at Hoonah, where wildlife outnumbers people. Beyond belief, we gather in awe to watch Hubbard Glacier shoulder its way to Disenchantment Bay. A site that never disappoints is Valdez. You'll need to pinch yourself to ensure you're not dreaming, especially in Juneau where Mendenhall Glacier and snowy peaks push skywards. Wild adventures continue in Sitka with its Russian history and Fortress of Bears. We turn to follow whale's moving southward and return to British Columbia and explore Victoria and Vancouver.

## Vancouver to Vancouver

### Journey of the Glaciers

Soul. Stirring. Sailing into the mystic; exploring the full breadth of the Inside Passage; hugging coastlines sculpted by rivers of jagged ice; navigating islands scattered like jigsaw pieces across cobalt bays.

Misty Fjord, Mendenhall Glacier, Tracy Arm Fjord — ephemeral landmarks that will burn into your consciousness as part of your life's story. Breathe in the rarefied air of snow-capped mountains of Ketchikan and Juneau. Forge deeper into winding narrows to find a wilderness where bears outnumber people. Dolphins and otters provide escort into one of the world's longest fjords where the mountains are higher, the vistas more dramatic, and the glaciers impossibly more gigantic. A crescendo of anticipation builds as we ply Misty Fjord and Tracy Arm Fjord; each a dizzying display of energy where waterfalls plummet; granite cliffs thrust skyward; and wildlife calls out in a symphony of sounds. Eternal landscapes of America's national treasures.

## Vancouver to Los Angeles

When the call of the wild reaches a fever pitch, few places answer quiet like the west coast of America. All the senses are arrested as you forge the Inside Passage to ply the deepest contours of the “whale highway” from Ketchikan to Valdez. Into the mystic you witness Alaska’s hallmarks: Misty Fjord, the glaciers of Hubbard and Mendenhall, and forests thick with brown bears and bald eagles. In Vancouver, you can test your daring as you tiptoe across teetering Capilano Suspension Bridge or soar Grouse Mountain on a daring skyride. Sailing south in search of the Golden State, you spy San Francisco perched on her California peninsula. An enclave of high-tech entrepreneurs that’s tempered with fine arts, steep streets, and seriously good gastronomy. Dazzling blue skies and wildly glamorous culture are the promises of Los Angeles that rolls out the red carpet with mountains, movie stars, and magnificent beaches.

## Vibrant Vancouver Meets California

### Cool

Vancouver – the cool and cosmopolitan beating heart of British Columbia – is cradled on all sides by some of Canada's most captivating wilderness. Float in from the wild and remote outdoors, leaving behind the orcas and grizzlies, the skeet shooting and fly fishing, and take a foodie foray to Granville Island for the best fork-to-table fare and a perimeter seawall stroll around must-see Stanley Park.

Sailing south we trace the contours of the North Pacific coastline, passaging the less-explored landscapes of Oregon and getting lost in old forests and rugged national parks, before giving in to the irresistible tug of the Golden State. Our California dreamin' begins as we pass the soaring burnt sienna towers of the Golden Gate Bridge and soak up the glories of San Francisco. Tracing Big Sur along the wave-crashed shoreline we arrive in ever-seductive, sun kissed LA.

## Los Angeles to Panama City

### From Surfy SoCal to Costa Rica's Cloud Forests

The tone turns tropical as we leave glitter-glam Los Angeles and SoCal's surfy beach bliss behind us and set our senses on Latin America. Waters slant Caribbean-esque as we voyage Baja California to Cabo San Lucas and slip under the surface to coral reefs or sportfish for yellowtail, grouper and marlin. Crossing the Gulf of California, Mexico might mean Mezcal in a shady Mazatlán plaza or a cobbled street stroll amid beautiful colonial buildings and rainbow painted houses before a climb to one of the world's highest operating lighthouses.

Living the pura vida in abundantly biodiverse Punta Arenas could mean taking it slow like the three-toed sloth or tiptoeing through the garden of Eden on treetop bridges slung elegantly through the green-canopied jungles, where capuchin monkeys and 50 species of hummingbird join in the jungle song. Hollywood may be but a memory, but this feels like scene stealing set from a Steven Spielberg movie.

# A Journey of Pirates, Paradise Jungles, and Kaleidoscope Coral Cays

## **Panama City (Amador) to Miami**

Sexy metropolis intermingles with sultry jungle as we set out from high energy Panama City and allow its iconic ocean-to-ocean canal to carry us from the Pacific to the Caribbean. Traversing one of the world's finest man-made wonders, we ply the spidery tributaries of Gatun Lake and forge into Chagres National Park, passing dramatic dams, spillways, and showering waterfalls in search of elusive wild cats and soul-renewing salutations with indigenous Embrera Indians.

Pirate battles and colonial ruins punctuate the port town of Porto Lemon, our gateway to Costa Rica's eco-paradise, where howler and capuchin monkeys swing through a verdant cloud forest alive with birdsong and blue morpho butterflies. Our jungle chapter comes to a close in colourful Key West, the last in the string of laid-back, coral reefered cays, before the beautiful waters and our private-island-escape of the Bahamas beckon. Only magnetic Miami, where distinguished art deco meets design and contemporary-art scene cool, can soften this return to reality.

## Bright City Lights and Stunning Scenery

Design cool, ever-mesmeric Miami and the art deco sweep of South Beach make for a heady start to this varied sailing, before New York City, which never sleeps, pulls you into its orbit with Broadway's hottest ticket and a helicopter over the Manhattan skyline or negronis with friends at an in-the-know Soho hangout.

We meander up the coast of America's New England to the elegant beauty of Boston, where the wharves whisper of tea parties and patriotism. Nudging north into Atlantic Canada, our pauses are peppered with historic, small-town charm. You passage along craggy coastlines to Havre-Saint-Pierre and the Mingan Archipelago, where puffins and sea-sculpted limestone monoliths scatter across a string of 2,000 islets and islands. Forging into the Gulf of St Lawrence to the Gaspé peninsula we seek bald eagles and black bears in the boreal forests until we reach picturesque Québec City, home to the UNESCO-protected old quarter yet alive with contemporary culture and cuisine.

An aerial photograph of the ocean's surface, showing intricate, swirling patterns of waves and ripples. The water is a deep, vibrant blue, with lighter, shimmering highlights where the sun reflects off the crests of the waves. The overall texture is fluid and dynamic, capturing the natural movement of the sea.
